

Trust Training Certificate

Ready to take your trust career to the next level? Enrol today!

Exciting news! The [Trust Training Certificate \(TTC\) version 2.0](#) now includes Part B, offering a complete learning journey alongside Part A. This comprehensive curriculum provides an in-depth exploration of the trust industry, covering corporate trusts, funds, pensions, and the latest regulatory frameworks, equipping you with prestigious credentials to stand out.

Embark on this two-part journey with Part A and Part B, each comprising 21 training hours followed by an examination. This is your opportunity to qualify for the prestigious Certified Trust Practitioner™ (CTP) or Certified Trust Affiliate designation, awarded by the Hong Kong Trustees' Association (HKTA).

Highlights of TTC version 2.0

- **Broad-based syllabus:** Part A has been expanded to encompass corporate trusts and relevant regulatory regimes, while Part B has been updated to reflect new legislation, focusing more specifically on Hong Kong arrangements.
- **Updated regulatory regime content:** Stay informed about the latest HKMA Code of Practice for Trust Business and the new SFC Regulated Activity Type 13 (RA13) requirements.
- **Learning mode:** Part A is offered in an eCourse format for flexible learning, while Part B features live webinars for real-time trainer interaction.
- **Examination format:** The format has transitioned from paper-based to computer-based.
